UGC Program Project Report MCA

I. Programme's mission and objectives

Our online Master of Computer Application program is an immersive technology learning program for both fresh graduates, aspiring to be job ready, as well as working professionals, looking to upskill themselves for better career prospects. The courses are designed and taught by world-class academicians and industry experts to keep abreast with the ever-growing IT sector. The MCA program is the best choice for individuals looking to strap on programming skills to help them achieve their career goals sooner or in a bigger way. The course's curriculum is in accordance with industry 4.0 standards providing students the opportunity to learn cutting edge technologies and tools from subject matter experts around the globe. Recent NASSCOM reports says the talent demand-supply gap in emerging technology areas is expected to grow to over 250,000 in the next 3 years. Our goal with the Online MCA program is to directly address this talent gap.

Program Educational Objectives/Goals:

- Graduates will be technically strong with comprehensive knowledge and skills to design and develop innovative software for emerging requirements.
- Graduates will be continuous learners with aptitude for research with societal focus.
- Graduates will be proficient to be employed as Consultant / Entrepreneurs in the IT and ITES industries. The graduates will be able to communicate effectively with the domain specific community and with society at large, with effective reports.
- The graduates will be able to function effectively as an individual, and as a member or leader in diverse teams, and in a multidisciplinary environment.

Program Operational Objectives:

- The program will provide the students ample training to strive on a global platform to pursue their career in Computer Applications.
- The program will provide a holistic academic environment to the students that facilitates their overall development and makes them job ready.
- The program aims to equip the students with knowledge, research excellence and skillsets to pursue their career as entrepreneurs in inter disciplinary areas and to excel in any other career options they may want to pursue.
- The program will train and encourage the students to demonstrate high regard for professionalism, integrity and respect values in diverse culture, and have a concern for society and environment.

II. Relevance of the program with HEI's Mission and Goals

Institutional Mission:

To provide value-based education and mould the character of the younger generation through a system of wholesome learning, so that their earnest endeavour to achieve progress and prosperity in life is matched by an ardent desire to extend selfless service to society, one complementing the other. Our profound mission of providing education for life, and emphasis on compassion driven research, has shaped Amrita as a unique institution.

We stand united in our mission towards solving globally recognized scientific and societal challenges, including environment, development, and health. The institution stands at the strategic juncture of two streams of cultures: East and West. It is our vision to bring the two together to bridge the divide through meaningful collaborations with world class universities and innovative approaches that will benefit the entire planet.

Institutional Goals:

- To enhance the teaching-learning process by adopting the best and innovative practices to produce competent professionals for careers in Research, Industry and Business with social and common concern.
- To provide the best infrastructure and learning resources to help achieve excellence in career and life.
- To contribute to their personal growth by helping them build marketable skills, enhance career prospects and create productive options for the future.
- Promoting collaborations with neighbouring industry, reputed academic institutions and other establishments for resource sharing and to promote creativity, innovation and entrepreneurship culture.
- Enhancing the quality of education offered through active association with students, parents, faculty, industry, alumni, reputed academic institutions and research organizations.

- Practicing and promoting high standards of professional ethics, transparency, and accountability.
- To sensitise the students to the need to live their lives rooted in the eternal values in the current business scenario.

The institution AHEAD's Master of Computer Application program is in complete congruence with the Institution's mission and educational goals. The program aims to provide a holistic education to the students that are at par with the industry standards. The program has been meticulously designed by the institutions highly qualified team of expert faculty members to prepare the graduates to pursue successful careers in diverse fields and to meet both domestic and global demands.

III. Nature of prospective target group of learners

- Those who aspire for career opportunities in the fields of Computer Science or in other fields of applied Computer Science.
- Those who hope to become entrepreneurs in the field of Computer Science and its varied applications.
- Professionals who wish to pursue their higher studies for career change or growth.
- Students from remote areas who do not have access to a regular mode of education.
- Under-privileged students who could not continue their education due to financial difficulties and family obligations.

IV. a) Admission Procedure

Students are admitted to the program only after carefully considering their specific eligibility. The documents are carefully scrutinized before admissions are provided. Due to Covid, students are also provided extra time as needed to submit the documents.

Minimum Eligibility

Students with Indian Education:

Direct admissions for learners with a minimum of 50% marks in UG degree. Learners below 50% marks will be also considered for admissions following a short interview.

- Candidates must have passed 10 + 2
- Candidate must have completed any undergraduate degree with Mathematics at 10 + 2 level or at graduation level
- Students in their final year can apply with the last completed semester results
- Candidates with work experience will have an added advantage for admissions.

Students with a Foreign Education:

Certificate of Equivalence from the Association of Indian Universities is needed. This is required for any student with a Foreign Education who wishes to apply to an Indian University. (<https://aiu.ac.in>)

Procedure for Admissions:

The online procedure for admission is simple and easy to access. Interested candidates can fill out our application form provided in our website in order to apply.

V. Laboratory support and Library Resources

- Due to the nature of Amrita Ahead being an online degree, all courses that require labs use virtual labs in the areas of computing.
- Students are provided with login credentials to access Amrita e – Library for course related study materials and references.

VI. Cost estimate of the programme and the provisions

In general, the costs vary based upon number of students. We strive to be fully compliant to all UGC regulations. Also, Amrita is known for having admissions for a significant percentage of economically deprived portions of the society. Our program related costs are 40% to 60% of fee revenue, and balance of semi variable/fixed expenses are 30% to 50%. In summary, Amrita strives for 10% operating margins. If student quantities are less, Amrita will not increase student fees.

VII. a) Quality assurance mechanism

Amrita has a very active audit committee that regularly and also spontaneously inspects current processes. If any process requires improvement, faculty and staff consider it to be the highest priority.

Amrita follows the IQFC quality standards that are generally known to be the best in the world.

b) Expected programme outcomes

NON- MINORITY INSTITUTION

To

The Chairman,
All India Council for Technical Education (AICTE),
Nelson Mandela Marg, Vasant Kunj,
New Delhi – 110070.

Subject: Certificate regarding Non-Minority Status and Government Affiliation of the College,

Respected Sir/Madam,

I, Dr. R. Sanil, Principal of Government Arts College, Ooty – 643002, hereby certify that our college is a state Government institution and not a minority institution. The college is affiliated to Bharathiar University and offers various Arts and Science courses.

Our College is open to students of all communities and does not discriminate on the basis of religion, caste, or creed. We have a diverse student community with students from different parts of the state belonging to various communities.

As a state government institution, our college receives grants and aid from the state government for various academic and infrastructural development activities. The fees charged from the students are also decided by the Government.

Therefore, I confirm that our college is not a minority institution and is a state government institution.

Thank You.

Sincerely,

- PRINCIPAL

Resolution
Introduction of MCA Course

We, the members of the council, hereby pass the following resolution to introduce a Master of Computer Applications (MCA) course at Government Arts College, Ooty – 643002, in accordance with the discussion and deliberation held during the council meeting on 12-04-2023.

WHEREAS, Government Arts College, Ooty – 643002, a renowned educational institution, has a long-standing tradition of providing quality education to students in various undergraduate and postgraduate courses.

WHEREAS, there is a growing demand for skilled professional in the field of computer application, with an increased requirement for advanced educational program in the Nilgiris region.

WHEREAS, a comprehensive market analysis has been conducted, this indicated a strong demand for MCA in the IT industry, software development firms, and other technology-driven organizations.

WHEREAS, the necessary infrastructure and faculty required to support the MCA course have been evaluated and found to be feasible within the existing facilities of Government Arts College, Ooty – 643002.

WHEREAS, the introduction of an MCA course will align with industry demands and provide students with specialized knowledge and skills required in the field of Computer Applications.

NOW, THEREFORE, BE IT RESOLVED THAT:

The council approves the introduction of the Master of Computer Applications (MCA) course at Government Arts College, Ooty – 643002, effective from the upcoming academic year (2023 – 2024).

The curriculum for the MCA course shall be developed in accordance with the guidelines and regulations provided by Bharathiar University, ensuring the necessary balance between theoretical knowledge and practical skills.

The college administration, in collaboration with the marketing and admission department, shall design and implement a targeted marketing campaign to attract prospective MCA students, ensuring adequate outreach to educational institutions and leveraging digital marketing strategies.

The College administration shall initiate the necessary steps to establish and upgrade the infrastructure, including labs, classrooms, library resource, and technical support to meet the requirements of the MCA course.

The college administration shall provide periodic reports to the council, highlighting the enrolment figures, academic performance and industry placements of MCA students, for review and assessment.

The College administration shall regularly monitor and evaluate the progress of the MCA course, taking into account students feedback, industry requirements, and academic quality standards, and make necessary adjustments to ensure its effectiveness.

We hereby affirm the passing of this resolution in the council meeting held on 12.04.2023. This resolution demonstrates our commitment to providing quality education and meeting the evolving needs of students and industries in the field of Computer Applications.
